Good tournament but too complicated; make it easier for players to understand

Have gross, net, and ringer competitions only

Eliminate double ball competition

Look at paying only two places in each competition to increase winners' share

Hole placements were very fair

Greens will be "punched" next week

Trevor was complimented on the condition of the course, especially the greens

MGA account balance is \$6306, without 2022 membership dues

May 21 will be the MGA Breakfast Texas Scramble; agreed to invite CCCC LGA members to participate in tournament

Motion made and passed to have 2023 Breakfast Scramble before the Ringer Tournament, with both being held in April prior to the greens being punched.

Motion made and passed to allow CCCC LGA to have Lucky Dollar Hole on #2 during the 2022 Member-Member as a fund raiser for the LGA. LGA members will be responsible for all aspects of the Lucky Dollar Hole.

It was discussed to seek sponsors for a band and drink cart for Member-Member. Mark Hauser will explore possibilities.

Motion made and passed for the MGA to purchase bag tags for CCCC golfing members. Tim Brant and Alan Connolly will investigate options.

It was pointed out that some of the ball washers on the tees are in need of repair.

Question was brought up concerning large hole left of Gold Tee on #6.
