Items Discussed:

- Bag Tags – Shannon agreed to purchase the wooden bag tags for all CCCC golfing members from Laser Edge without funding from the MGA.
- A motion was made and passed that the Spring 2023 Breakfast Scramble would be a straight captain's choice format rather than the Texas Scramble in an effort to increase participation and simplify the administration process (setting up teams and score keeping).
- Shannon agreed to replace/repair the parking place signs for the Men and Women Club Champions and the CCCC Cup Champion.
- A motion was made and passed for the MGA to purchase a sign saying "Coach Holleman Bag Room" in memory of Coach Holleman's contribution to CCCC as well as to the community. Cathy Eckenrod offered to manufacture the sign at no cost to the MGA.
- Recognition was made by the MGA of the excellent condition of the golf course for the Member-Member Tournament last weekend.
- A proposal was made to raise the height of the rough. After much discussion a motion was made and passed to "not" raise the height of the rough.
- The MGA thanks Eddie Corder for his purchase of algae eating catfish that he placed in the CCCC lakes on #4, #17, and #18.
- A proposal was made to raffle pro shop items during the Member-Guest as a money maker for the MGA. After much discussion, it was suggested that this be "tabled" and brought up again in the Fall 2022.
- MGA account contains \$11,283 as of this date. There are no bills to be paid or additional income to be received at this time.
- A brief discussion took place concerning what to spend the MGA money on. Shannon is evaluating the needs of the club and will make suggestions to the MGA once her evaluation is complete.
- Reminder of Club Championship July 16-17
- Member-Guest August 5-6-7
- The assignment of a "2" handicap to golfers participating in a CCCC net tournament when they don't have a current Ghin handicap was used successfully for the recent Member-Member.
