

CCCC MGA Meeting Minutes: February 11th, 2025

In Attendance: Jon Cawley, Mitch Mabe, George Snyder, Hank Spires, Horace Bondurant, Stonie Stone, Shannon Waters, Dan Spainhour, Johnny Marion, Tim Brant, TJ Waters, Chris Dorsett

Items Discussed:

Waiting for a proposal/estimate to put concrete on a portion of the driving range tee for tee mats

It was agreed to remove the white PVC posts in front of the greens since the GPS controls on the carts limit how close to the greens carts can go

It was discussed to put a bridge over the creek on #13 to access the Black Tee area from the White Tees. This would eliminate the need to park carts at the Black Tee in #12 rough/fairway

TJ is planning to remove 9 more tees from behind #5 green to allow sunshine to hit the green.

The question was raised concerning cart path repairs, especially in a few areas where deep holes cannot be avoided

MGA and LGA are planning to meet in March or early April to discuss/plan events for the CCCC major tournaments

The MGA will pay for breakfast at the Scramble and Ringer tournaments

Next MGA Meeting on March 11th at 6PM
