Men's Golf Association

All golf members at Cross Creek are eligible for and invited to take part in the Men's Golf Association. The MGA meets on the second Tuesday evening of every month at 6pm (no meeting in December) and charges \$50 annual dues through the club. This money is earmarked specifically by the MGA for products and projects that are specific to the golf course at Cross Creek. By paying dues and attending the meetings, you can help direct exactly how the money is spent.

We are so proud of and grateful for our MGA. They have contributed to many projects and upgrades for the golf course. They have purchased sand for the sand traps, rakes, flags, and the fountain in the pond on the 18th hole. The MGA has paid for 2 pull behind aerators for the fairways, several landscaping projects over the years as well as many other things.

The MGA also works closely with our Golf Professional to plan and execute various tournaments throughout the year. Please note that all players who participate in any of our golf tournaments are required to have an official GHIN handicap. Any players without an official GHIN handicap will be assigned a handicap of "2". Please call the Pro Shop with any questions (336.789.5131). Also, the pro shop will randomly check the GHIN system to be sure

Cross Creek MGA members are posting all scores for rounds played. Rounds not posted may be given a score of 72.

A Tradition in Golf

Cross Creek Country Club offers an eighteen-hole Championship golf course designed by Joseph Lee. Lee's par 72 design was recently renovated and now features A-1 and A-4 blend of lush bent grass greens and has been an integral part of the Mount Airy community for 40 years.

The course plays 6,800 yards from the championship tees and is located at the base of the Blue Ridge Mountains. First opened in 1973, Cross Creek Country Club is founded on a tradition of championship golf.

The Club

Cross Creek Country Club was established in 1973 as a private Club for the enjoyment of its members and guests. The Club offers a challenging eighteen-hole course for all golfers at any skill level. This Joseph Lee design takes full advantage of the natural variations in terrain, and a uniquely beautiful setting.

The course was completely renovated under the direction of renowned architect Kris Spence. We are very proud to be awarded the honor as one of the Top 100 golf courses in the state of North Carolina.

The Club is also proud to offer numerous other outstanding amenities such as a first-rate Tennis and Pool Center and outstanding cuisine that can be enjoyed in our restaurant, The Sunset Grille, or in several finely-appointed dining rooms. Also available is al fresco dining in our Outdoor Pavilion and Patio Dining providing unparalleled views of the golf course and the Blue Ridge Mountains.

We are aware that our members are our most important asset and it is our mission to provide each one of you with a fun-filled, family-oriented Club environment that you can be proud of and enjoy.
